**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because they offer superior rates/services. I don't like supporting monopolies like AT&T and Comcast. I'd much rather support a business like this and I deserve that right as a consumer.

I have Sonic fiber in my home and it has made a world of difference. I can more efficiently work from home and I don't want to lose that right and downgrade to Comcast or AT&T's service.

You guys owe it to the American people to do your job and protect consumer rights to choose. We need you to protect companies that are improving our lives and technology.
